About Me

Hello !

My name is **Iroshan**. Currently i'm a BSc (Computer Science) student in the National School of Business Management, affiliated to the University College of Dublin, Ireland. (Successfully completed 1st, 2nd and 3rd Year examinations current GPA - 3.53)

I like to make things. I specially like to do frontend development stuff with HTML, CSS, Javascript, Bootstrap and Javascript frameworks and learn further more 😊😎
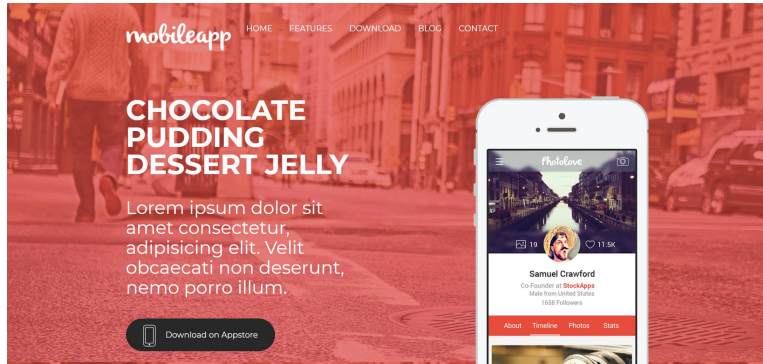

Foker Game

Poker like game which was built with Java and JavaFX.

UI Templates
